YAYASAN PEMBANGUNAN LABUAN

“Together, We Make Labuan Stand Tall”

Labuan Development Foundation ('Yayasan Pembangunan Labuan or YPL') is registered with Labuan Financial Services Authority (Labuan FSA) & was established on January 3rd 2014 under the Labuan Foundation Act 2010.

YPL believes in people empowerment through which all parties are involved in decision making. It is committed to developing Labuan as a vibrant and smart island city that is liveable, conducive, prosperous and sustainable.

YPL will continue to work tirelessly to uplift the well-being of the people of Labuan and assist them through various programs and initiatives. YPL complements and works with the Government to promote education, arts, culture, entrepreneurship, trade and investment. With Labuan's young population, YPL takes initiatives to organize or support initiatives for the youth that promote self-reliance and entrepreneurship and ease unemployment. Annually, a large sum is given out to assist students from poor families, those in the B40 category and people hit by natural disasters, among others. To protect the environment, YPL supports programs and projects that are environmentally sustainable.

YPL is confident that, with the support of the Government and the people, it will be able to achieve its objectives.
